Connecting to AgTM 305 & Setup

- 1. In a web browser, navigate to: <u>https://login.wsu.edu/</u>
- 2. Log into your account & verify your identity at the MFA prompt
- 3. Click on the AgTm 305 application

4. Wait for your virtual desktop to appear (This may take up to 10 minutes)

	5%	
Your session is being prep	ared. The session should be ava	ailable in less than 01:54

5. Now that you're in your virtual desktop, double click on SMS Advanced

6. Once the program loads, click on "Open – Open Lab 1"

7. If prompted to update the program, click on No

8. Click on "General Options"
